

WELCOME BACK To FOOD, FRIENDS and FUN!

This school year is sure to be filled with fun and excitement at Lorain County JVS. Sodexo is proud to partner with your school district to provide nutritious meals for your children. Our unique approach provides students with a variety of healthy menu choices designed specifically to satisfy their taste preferences. Each of us at Sodexo is truly committed to “making every day a better day” for the children we serve.

Meal service begins on Tuesday August 30, and will include lunch. The school district participates in the *USDA National School Lunch Program*, which means that all meals meet or exceed the guidelines and regulations for the *School Meals Initiative for Healthy Children*. There will also be la carte snacks and beverages available during lunch that meets the *Alliance for a Healthier Generation* guidelines.

Our theme for this year’s food program is Food, Friends & Fun! We’ve planned lots of exciting events to encourage the students to learn more about nutrition and healthy eating habits that will benefit them for a lifetime.

We recognize that providing an enjoyable dining experience for our students involves more than serving healthy and delicious food. It also includes creating a multi-sensory dining environment that results in an uplifting emotional event. The bright and cheerful décor of our program will create a welcoming environment for the students of Lorain County JVS. Students will enjoy an increased variety of their favorites in the Cross Roads Café. This will include, among other things, ready made deli sandwiches, salads, delicious pizzas, a daily special, and other hot sandwich items.

Menus are available in the school office and online at <http://www.lcjvs.com> under Important Links

High school students have many unique qualities and traits that define who they are and who they will become. That is why we look forward to serving the students, parents, and staff at Lorain County JVS during the 2011-2012 school year. If you have questions or comments about the food service programs, please contact the General Manager at 440-774-1051

Thank you for your support and interest in the school nutrition program.
