

We feel that it would be helpful for you to become aware of the NCAA rules covering participating in athletics on the Division I or Division II college level. Hopefully, the NCAA rules will provide you with key information as you look forward to graduation from high school. Please keep in mind that this information is general in nature and we encourage you and your parents to contact us, or your home school counselors, with your individual questions.

Please take a moment and compare requirements to your course selection for the upcoming year, as well as your transcript. Should you wish to make a schedule change to improve your chances of meeting NCAA schedule demands, please feel free to contact us.

Finally, athletes need to register with the NCAA Clearinghouse during the fall of their senior year. The website has more information. The specific website is <http://www.ncaa.org/wps/portal> and may be accessed thru the JVS website and through links of interest. We hope you will find this helpful.

Please sign and return this coupon acknowledging your receipt of this letter regarding NCAA eligibility rules.

Sincerely,

LCJVS Counselors
