## ARMED FORCES CAREER DAY

LCJVS will be holding the Armed Forces Career Information Day, 10/21/11. This will be taking place in Lecture Room B during 1<sup>st</sup>, 2<sup>nd</sup>, and 3<sup>rd</sup> periods. This is a great opportunity for students to hear about military opportunities from representatives from most of the military branches.

We are limited in our seating, so please send Chris Wilde an email with the number of students in your class and your preferred time in the morning. We will be holding individual student sign-ups during lunch periods next week, or students can stop down and sign-up in Student Services. Thank you!

## DID YOU KNOW?

### CYBER—BULLYING

Two-thirds of youth go online every day for school work, to keep in touch with their friends, to play games, to learn about celebrities, to share their digital creations, or for many other reasons. Because the online communication tools have become an important part of their lives, it is not surprising that some kids have decided to use technology to be malicious or menacing towards others. The most important preventive step that schools can take is to educate the school community about responsible Internet use.

## COSMETOLOGY STUDENTS

Cosmetology students are learning many different skills in their lab.

## AVON LAKE PIZZA BAKE-OFF

The Culinary students participated in the Avon Lake Pizza Bake-Off highlighting their cookie with chocolate fudge pizza.

## 3RD Annual TEEN DRIVING COMPETITION

This year we had 22 students participate from 12 of our local school districts. Winners were: 1st Place (\$500) - Kyle Canfield, currently attending the JVS from Keystone High School; 2nd Place (\$250) - Joshua Kocsis, Oberlin High School and 3rd Place (\$100) - Jared Kromer, Firelands High School.
