The role of the *bystander* in all types of bullying:

"By doing nothing bystanders are doing something."

- We have the responsibility to look out for the best interests of each other.
- Bystanders should note what they hear and see and when.
- They should stand up for the victim and tell an adult they trust who can really step in and improve the situation.

ECE—Backwards Trick or Treat

The Early Childhood Education I students and the Four-Year-Old Preschool Class will be sponsoring a “Backwards Trick or Treat” from October 24th- October 28th. Each year, the ECE I students pick a community service/charity project for the year. This year, they have selected the Akron Children’s Hospital. They are collecting “Crayola” products that they will use to make a Crayola Christmas Tree to donate to the hospital. The tree will be auctioned off the 3rd week of November and all proceeds from the tree will benefit the children at the hospital. If you are interested in donating Crayola products, please send them to the ECE Lab or call Hilary Duffala and she will send bright-eyed students to pick them up in your classroom.

Items Needed to Decorate Our Tree:

Crayola Crayons • Crayola Markers • Crayola Paint • Crayola Craft Supplies • Crayola Sand and Art Projects • Crayola Clay • Crayola Glue and Scissors
