## PERFECT ATTENDANCE WEEK

OCTOBER 3-7, 2011

Don't forget to pass out your coupons to those students in attendance for the day.

## PROGRESS REPORTS

Since we are not recording grades in the interim column or mailing printed reports, below are some strategies to use to ensure parents are notified of student progress:

1. Check your Progress Book information for parent login status. If you see parents are not checking, a phone call or email should follow.
2. Complete an NCR form for any student you feel is in danger of failing or grades have significantly changed.
3. Parent Conferences should be utilized to contact parents for students in danger of failing, behavior, safety or other concerns.
4. A progress sheet can be sent home for a signature or attached to the NCR form.
