"Everyone Makes A Difference"

## REMINDERS

- Check students during your first period class for ID cards.
- Interims are not being mailed home this year, parents should be checking Progress Book. If you feel parents need additional information, please be sure to call home. Follow-up with a hand written NCR Progress Report.
- Students should not be permitted to leave the room/lab without their ID/ Agenda Book.

On Tuesday, December 20, 2011 at 2:30pm in Conference Room B, the Public Services Institute will be conducting a brief meeting to gather input regarding the vision of LCCC. ALL ARE INVITED.

## DID YOU KNOW?

### Terminology: Home School vs. Associate School

- Traditionally the words home school refers to schooling children in the home. To be more consistent with our use of terminology, all future communications will transition into using the term Associate School when referring to the 13 local school districts our students come from.
- **Conduit Mobile** - This site ([mobile.conduit.com](http://mobile.conduit.com)) is ideal for bloggers, web designers, or schools in a one-to-one environment who are looking to create a great-looking mobile app for free or share news/homework in a mobile environment.
- **www.Gnowledge.org** - One of the best collaborative quiz/test creation sites around. This excellent-looking site should be a mainstay for years to come.

## PAUL PAPESH CERTIFICATION RECEIVED

Paul Papesh has successfully fulfilled the industry certification requirements of the National Association of Home Builders in career technical education by completing the required academic program, and by providing evidence of expertise in the construction field. **CONGRATULATIONS PAUL!**

## CRAYOLA CHRISTMAS TREE

Early Childhood Education students collected Crayola products for the Crayola Christmas Tree auctioned off for the Akron Children's Hospital.

## PRO CUT LATHE

Jim Krack, from Pro Cut, came in and provided training to the AT II class on Friday, 12-9-11, with the new Pro Cut on car lathe. Some of the topics included cutting techniques and the time saving benefits using this new piece of equipment.

## DESKTOP TRAINING - TRAVIS WILLIAMS

This program is designed to allow you to copy files to your students' desktops. If you are interested in learning more, there is one remaining training day in which Travis will demonstrate the program. Feel free to stop by if you get a chance.
