"Everyone Makes A Difference"

REMINDERS

- Please send me requests for schedule changes as we are beginning to work on the 2012-13 schedule.
- All first period teachers please make sure all students are wearing their ID card. If they do not have one, please send them to the Attendance Office.
- All electronics can be picked up by students **AFTER 2:14pm**. Do not send students to the office before the bell.
- If a student's grade has dropped or you have noticed a change in behavior, please make sure you call the parent immediately.
- In a continued effort to conserve energy, please be sure to turn off your projector when finished.
- Please make an effort to only use color printing when absolutely needed due to the high cost of color printing over black & white printing.
- Student Vacation forms are available in the Attendance Office.
- Be sure to refer to the End of the Year Schedule memo, as you plan student activities for May and June, 2012.

CHARACTER EDUCATION

The Culinary Academy started out strong this year with activities supporting character education.

As part of the Character Education program, Culinary students brought in 2,000 lbs. of food to be included in the JVS donation to the Second Harvest Food Bank.

ELMS RETIREMENT COMMUNITY

Chef Smith and his students share cooking demonstrations with the senior residents at The Elms in Wellington after school.

Encourage Students to Register as Alumni:

Please remind your students to register as alumni at www.lcjvs.com. Almost daily job orders come into the JVS via the Career Services Department, and often, we are the only recipients of these openings because local businesses know our students have the skills they require. When our students register as alumni through the website, they will be automatically notified of job openings in their field. What a great way to instill in our students that the education they receive at the JVS is **Education that Works!**
