We specialize in preparing you for a high demand tech career. Our class sizes are small, and we have set schedules for the entire length of the program, which makes adjusting to childcare and work schedules much easier.

Most of the Adult Career Center programs are also eligible for financial aid, which means many students will finish with minimal loan debt. We also provide excellent student service support to ensure student success. Our Career Service office staff is also ready to assist with job placement upon completion of our programs.

## **LET US HELP YOU!**

Our Adult Career Center Office is open Monday-Thursday, 8am-10pm and on Fridays from 8am-4pm. Stop in or call to talk to one of our staff members. We recommend that you make an appointment, if possible. A staff member will be happy to talk to you about our programs and answer any questions you have.
