

1.1 Receiving Your iPad

- iPads will be distributed each fall.
- **Parents & students must sign and return the iPad Protection Plan and Student Pledge documents before the iPad can be issued to their child.**

1.2 iPad Check-in

- iPads will be returned during final exam week so they can be checked for serviceability. If a student transfers out of the LCJVSD during the school year, the iPad will be returned at that time.
- Students who graduate early, withdraw, are suspended or expelled, or terminate enrollment at LCJVS for any other reason must return their individual school iPad on the date of termination.
- If a student fails to return the iPad at the end of the school year or upon termination of enrollment at LCJVS, that student will be subject to criminal prosecution or civil liability. The student will also pay the replacement cost of the iPad, or, if applicable, any insurance deductible. Failure to return the iPad will result in a theft report being filed with the Lorain County Sherriff’s Office.
- Furthermore, the student will be responsible for any damage to the iPad, consistent with the District’s iPad Protection plan and must return the computer and accessories to LCJVS in satisfactory condition. The student will be charged a fee for any needed repairs, not to exceed the replacement cost of the iPad.

1.3 Check-in Fines

- The student/parent will be responsible for any damage to the iPad. If at any point during the school year there is damage, loss, or theft of an iPad the student must contact instructor/administration immediately.
- Any technical issue with the device must be brought to the attention of administration or technology support staff immediately. This includes but is not limited to: iOS (operating system), Battery issues, loss of internet connectivity, and failure of apps to launch.
- Any hardware/software repairs that are not due to misuse or damage will be covered under the AppleCare+ package. (For more information please see AppleCare+ pamphlet).
- Fines will be issued in accordance with the attached chart.
- After 2 incidents of repairable damage the student may lose the privilege of being in the iPad pilot initiative.
