

Student-In-Need Application

The Lorain County JVS Educational Foundation provides a grant that can cover up to 80% of a student's school fees for families with heavy financial burdens. The total amount is dependent on the number of applications received during the school year.

To apply, please complete this application and provide a copy of last year's tax return, proof of disability, or other proof of income.

20% of the student's school fees must be paid before the application will be reviewed by the Foundation's Board. The Grant will not provide assistance for incidental items such as Student ID's, safety glasses, damaged books, on-line classes, etc.

Due to limited funds being available each year, senior students' applications will be reviewed first. All other students may apply and their application will remain on file until their senior year or in the event additional funds become available.
