## Buckeye Room Restaurant

The Culinary Arts students are very excited to present to you a new concept in dining at our school. Many of you have enjoyed our a la carte menu in the past. Starting in Fall 2016, we are now presenting you with our gourmet private dining at its finest.

Guided by curriculum, the students will take you along with them on a journey of their learning.

The Buckeye Room Restaurant is reinventing itself to meet the demands of our students, the curriculum and our ever growing popularity with the public. With these changes will come more opportunities for our growing number of clients to visit and dine with us.

## Exciting Opportunities

- Open more dates
- Book the room for meetings and events
- Ever-changing tasting menu throughout the school year
