

Cpl. Brad D. Squires Scholarship

On June 9, 2005 our family lost a member very near to our hearts. Cpl. Brad D. Squires a Marine fighting in the 3rd Battalion, 25th Marines, based out of Akron, Ohio, was killed fighting in Iraq.

Brad, who was raised in Berea and resided in Elyria, lived his 26 years of life as passionately as anyone could. He always was working to help others and created a friendly atmosphere wherever he went.

While I am honored to be Brad's wife and to have had him in my life, myself and my family are trying to continue Brad's caring and kindness to others by establishing a scholarship in his name.

Brad was a student at Lorain County Community College where he was working towards his dream of becoming a fireman. His eagerness and ambition to learn was inspiring to many of his classmates. By raising money to help high school students attend college, our family is carrying on Brad's name through both his kindness and ambition to succeed, which proved many times to be his most infectious qualities.

The Cpl. Brad D. Squires Scholarship is aimed towards the student with exceptional ambition; a student who sets goals for themselves and keeps trying no matter how hard or impossible that goal may seem. This student does not have to be the leader of the class academically, but does have to be a leader.
